With Magisterial District Judge
Mike Thatcher**

**Thursday February 21 at 7:00 p.m.
Jefferson Hills Municipal Center Community Room**

Meet Judge Thatcher and learn more about his court, located in Pleasant Hills, that serves the communities of Jefferson Hills, Pleasant Hills and South Park in the first level in the Pennsylvania Unified Judicial System. This local court is the only exposure that many of our citizens ever have to the court system.

In a relaxed and informal atmosphere, you will gain insight into the court procedures for many common situations at the district court level such as traffic violations, initial criminal proceedings, civil disputes and landlord-tenant issues.
