

Borough of Jefferson Hills

NEIGHBORS HELPING NEIGHBORS

The Borough of Jefferson Hills is proud to announce a new, temporary initiative, the "Neighbors Helping Neighbors Program," to assist the Borough's seniors during the COVID-19 pandemic and quarantine. This free service will begin taking requests for assistance on April 1. Volunteers will deliver donated non-perishable food items and paper products to seniors on Tuesdays and Thursdays, starting April 7. Seniors in Jefferson Hills should call 412-639-2339 or email nhnp@jeffersonhills.net to request assistance. The Neighbors Helping Neighbors Program is solely donation-based, and all residents wishing to offer donations or serve as delivery helpers should call the telephone number above. The more neighbors donate, the more neighbors can be helped during this time of need. Stay safe and be well!
